# ABOUT US

Natural Green Creative Spaces is an independent British design, events and creative company, committed to designing, producing and installing exclusive spaces across the UK and overseas.

Natural Green Creative Spaces brings together years of experience, creative flair and an eye for detail to produce unique, memorable creative spaces. It's at the heart of our business to create the very best, and we pride ourselves on designing and creating exceptional spaces throughout the UK, Europe and worldwide.

We are with you every step of the way - from design and planning through to construction and adding the final finishes to your unique space.

Whether you're looking for planting, landscaping or floral arrangements, bars and hospitality areas or signage, branding and more, our skilled and knowledgeable team will ensure the mood and theme you desire is achieved at your event. From exhibitions and events to brand launches and experiential activation, temporary, flexible and permanent installations, we pride ourselves on creating exceptional spaces finished to the highest calibre.
